COLECCION
ALEXANDRA

Finest Spanish Handicraft

Heritage 2.0 recopila las piezas más icónicas de Colección Alexandra manteniendo la esencia de los estilos más representativos de la historia del mueble en Europa, como el Barroco, Neoclásico, Imperio e Isabelino, los cuales sirvieron de inspiración a María José Guinot, Fundadora de Colección Alexandra, en los inicios de su aventura creadora a mediados de los 90'.

Pero no solo fue inspirarse en los clásicos, ya que en el viaje emprendido por Colección Alexandra hay un alto componente de las más valiosas técnicas de artesanía, diseño, innovación y fusión, las cuales han dado como resultado una serie de creaciones exclusivas con el sello inconfundible de la firma.

Inmersos en un proceso de constante evolución, la línea Heritage se amplía en este volumen con **nuevas creaciones** que se adaptan a las demandas actuales del mercado: ornamentaciones ligeras, líneas sobrias, materiales y acabados que miran al futuro, inspiraciones de otras culturas... Un clásico más tranquilo y sereno que convive perfectamente tanto con el clásico más tradicional como con el contemporáneo más actual.

El mueble clásico de siempre, símbolo de elegancia y distinción, con la frescura de los nuevos tiempos. **Un mueble atemporal que nunca pasa de moda.**

Heritage 2.0 brings together Coleccion Alexandra's **most iconic** pieces based on the most renowned styles in the history of traditional European furniture: Baroque, Neoclassical, French Empire and Elizabethan. These styles served as inspiration for Maria Jose Guinot, founder of Coleccion Alexandra, at the beginning of her creative journey in the mid-nineties.

Taking inspiration from the classics and combining advanced design techniques, innovation and fusion, Coleccion Alexandra has given birth to exclusive and elegant creations with the personal and unmistakable stamp of the company.

Immersed in a process of constant evolution, the Heritage line expands in this volume with **new creations** adapted to current market demands: light ornamentation, sober lines, materials and finishes that look to the future, inspirations from other cultures... A more subdued and serene design that coexists perfectly with both the more traditional classic style and the most modern contemporary style.

Characteristic classic furniture, symbol of elegance and distinction, with the freshness of today. **A timeless piece of furniture that never goes out of style.**

EL ARTE HECHO MUEBLE

El mueble clásico es el mejor ejemplo de cómo **el gusto por las cosas bellas** traspasa el arte y se plasma en los objetos que nos rodean. En su diseño conviven elementos técnicos y artísticos procedentes de la arquitectura y escultura respectivamente.

La madera, material casi insustituible en la fabricación de muebles, es trabajada con excelencia por nuestros **maestros artesanos**. Con las técnicas más refinadas de ebanistería se crean exquisitas ornamentaciones, ricos relieves y bajorrelieves, etc., combinados con elementos artísticos tradicionalmente asociados al mueble, como los bordados y tejidos nobles, pieles repujadas, tapizados artesanales en capitoné, mármoles naturales... Todo lo necesario para crear un mueble que va más allá del uso cotidiano, elevándolo a la categoría de Arte.

Colección Alexandra emplea únicamente materiales de óptima calidad para asegurar que cada pieza simbolice lujo y elegancia. De la unión entre la experiencia y el saber hacer de cualificados artesanos, la utilización de novedosas técnicas y procesos de fabricación, la flexibilidad en la producción y una amplia gama de sofisticados acabados nacen las obras de arte más exclusivas.

ART MEETS FURNITURE

Classic furniture is a prime example of how **the taste for beautiful things** goes beyond art and is reflected in the objects that surround us. Both technical and artistic elements are present in its design namely architecture and sculpture respectively.

Wood, a fundamental and irreplaceable material in furniture manufacture, is worked with excellence by our **master craftsmen**. The most refined woodworking techniques are employed to create exquisite ornamentation, rich reliefs and bas-reliefs etc., combined with artistic elements traditionally associated with furniture, such as embroidery and noble fabrics, embossed leather, handcrafted upholstery, natural marble... All the elements to create an exquisite piece of furniture that goes beyond an everyday article, making it essentially a work of art.

Colección Alexandra uses only the highest quality materials to ensure that each piece symbolizes luxury and elegance. Experience and know how, together with the implementation of new techniques and modern production processes, open up a wide range of possibilities. By combining production flexibility and sophisticated finishes, the most exclusive works of art are born.

MUCHO MÁS QUE MOBILIARIO

Con HERITAGE 2.0, Colección Alexandra da continuidad a la misión iniciada por María José Guinot en 1994, que no es otra que afianzar uno de sus principales valores: ofrecer mucho más que mobiliario. La **experiencia** nos ha dado una visión de conjunto que nos lleva a pensar en el mueble como un elemento más que coordinar con el resto de la decoración, por lo que también diseñamos complementos y accesorios con los que poder abordar cualquier proyecto de interiorismo integral.

Fabricamos mobiliario de diseño exclusivo con innumerables posibilidades de personalización para el mercado de la Alta Decoración. Con un **sistema de trabajo artesanal**, one-to-one, que nos capacita además para fabricar productos a medida diseñados para nuestros clientes. Contamos con un **departamento técnico** que ofrece una estrecha colaboración para conseguir los mejores resultados bajo los más altos estándares de calidad y adaptándose al presupuesto establecido.

Prestamos un especial cuidado en cada detalle, tanto en el diseño como en la calidad de todo el proceso de fabricación, empleando materiales nobles de alta calidad y adaptándonos a los nuevos tiempos. Incorporamos las **nuevas tecnologías**, como la iluminación led, los espejos con televisor integrado, etc. para enriquecer la experiencia de vivir nuestros muebles. **Nuestro objetivo es dar alma a los hogares.**

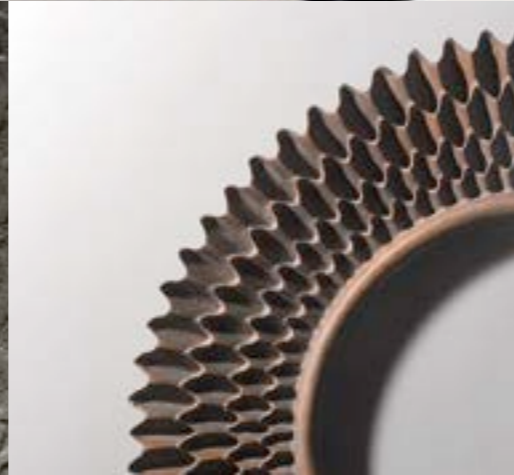

MUCH MORE THAN FURNITURE

With Heritage 2.0, Coleccion Alexandra continues the mission initiated by Maria Jose Guinot in 1994, and one of her principal goals: to offer much more than just furniture. **Experience** has given us a global vision that leads us to think of furniture as one more element to coordinate with the overall interior design, so we also create accessories and décor with which to address any integral interior design project.

We manufacture exclusive luxury furniture with countless customization possibilities for the high end market. Our **traditional craftsmanship** enables the manufacture, one-to-one, of customized products designed exclusively for our clients. Our **technical department** works closely with each client to achieve the very best results in keeping with our high quality standards always within the client's budget.

Both the design and quality of the entire manufacturing process is approached with a mesmerizing attention to detail, as well as the use of only the finest materials. **New technology** is implemented, like LED lighting, magic mirrors with integrated TVs, etc. to enrich the experience of living our furniture pieces. **Our objective is to furnish all homes with a soul.**
